

## The Journey – Higher and Deeper

Walking with God is a journey higher toward Him and deeper into His Word. Where are you now? How are you doing? How do you feel you are growing? Do you have a mentor to help in your walk and hold you accountable? Are you stable and consistent in Bible reading and prayer times? Do you crave more knowledge? Do you want more life change? Are you inspired? Are you passionate? Do you realize you have only scratched the surface and begun to peel back the mysteries in God's wonderful plan for your life?

Where do you go from here? The first thing you need to do is plant your feet solidly on the new hope you have in Jesus Christ. Secondly, you must continue growing the relationship you have with Him. Fence sitting and backsliding are not allowed.

If you don't keep moving toward God, you're moving away from Him. If you're moving away from God, you're moving closer to Satan and back toward who you were. You should always be looking forward to who God wants you to be and continue building the character God wants you to have – like that of His Son Jesus Christ.

Remember what Henry & Richard Blackaby said in the Experiencing God devotional: "People of this world focus on what they're OVERcoming, while Christians focus on what they're BEcoming." This is the encouragement we share with you: continue searching out the deeper things of God and working out your salvation to become the person God wants you to be so you can fulfill the purpose He created you for. This is the beginning of an exciting lifelong journey with your Creator that will continue into eternity.

We want to continue providing resources that will help you in your walk with God and we encourage you to share this information with others. God desires for all of His creation to spend eternity with Him.
