

## Colombia - 2010

Over Thanksgiving, Samary, from the Amigos en Cristo, spent two weeks reaching out to families living in poverty. She took donated money to buy food and books. The books contained Bible stories for the children. Everything was distributed in partnership with the Pastors of three churches. In Melgar, 24 families received food, and in Chia, 49 families received food. In Girardot, 101 children received books, and in Melgar, 114 children. Praise God! Also, Chia has been hard hit by rains and flooding that continue to saturate the whole country. Please pray for them all.
